### NEW MONTH! NEW ADVENTURE!

#### *Atlantis Marine World Offers Monthly Themed Events!*

Riverhead, NY - Atlantis Marine World invites its guests on a adventure of exploration, discovery, and family fun with brand new monthly themed events.

Each month, the Aquarium will present activities and exhibits focused on a special theme on the weekends and over school breaks. The programming was kicked off this year, appropriately enough, with New Year's Babies and continues in February with National Responsible Pet Owner Month. Atlantis Marine World will help spread the word on responsible pet ownership through special exhibits, reptile encounters, and other events. Complete with interactive presentations, crafts, and story times, the dates are: February 3, 4, 10, 11, and 17 - 25. Special focus tanks will be available for viewing daily.

Atlantis Marine World, Long Island's own full-scale Aquarium, is located in downtown Riverhead on 3.2 acres along the scenic Peconic River. By capturing our visitors' imaginations and emphasizing the importance of marine life and environmental conservation and preservation, Atlantis Marine World's mission is to provide visitors with an interactive and exciting educational experience. Atlantis Marine World is also the home of The Riverhead Foundation for Marine Research and Preservation, New York's only authorized marine mammal and sea turtle rescue and rehabilitation center.
