ABOUT ATLANTIS MARINE WORLD AQUARIUM

Atlantis Marine World (AMW) opened in Riverhead, NY on June 15, 2000, as the first large-scale Aquarium to open in New York State in more than 35 years. Themed around the "Lost City of Atlantis," AMW blends science and nature with myth, inviting visitors to explore its inhabitants while discovering the Lost City. Today, nearly two million people have visited the Aquarium, enjoying its interactive exhibits. AMW is also the home of The Riverhead Foundation for Marine Research and Preservation, New York's only authorized marine mammal and sea turtle rescue and rehabilitation center.
